

The **FirstRand Foundation** and **Tshikululu Social Investments** invite you to attend the **10th** in a series of **events** showcasing **CSI That Works**

Increasingly the **importance of quality primary school education** is being understood by society. Join us for a **critical conversation to discuss insights** from the **FNB primary education programme (PEP) evaluation**, as we **unpack the lessons learnt to strengthen future investment** in primary education.

Presentation: FNB primary education programme evaluation - Jennifer Bisgard, Project Director, Khulisa

Facilitated panel discussion and Q&A: Khulisa and PEP service providers: MIET, CASME, PMDP, UFS, Molteno and Assitej South Africa

Facilitated panel discussion and Q&A: Principals and district directors from Kwa-Zulu Natal and Free State
