

Tshikululu is thrilled to announce our first impact investment partnership!

INTRODUCING

**THRIVE
AFRICA**

Tshikululu has joined forces with African Alliance Asset Management, one of the most experienced fund managers in sub-Saharan Africa, to offer investors a single-point solution for impact investment across the continent under the Thrive Africa banner.

By combining African Alliance's financial expertise with Tshikululu's social impact expertise, we are now actively fundraising for our first Thrive Africa impact fund, which will focus on infrastructure, clean energy and financial inclusion across the continent.

To learn more about the partnership and our goals, please visit our [microsite here](#).

We look forward to sharing more information with you about this new chapter in Tshikululu's story as Thrive Africa grows in 2021.
